OMEGAS TO PRESENT MINSTREL IN MARCH

Thirty Characters to Take Part in Elaborately Planned, Fun Presentation.

PLEDGES ARE ASSISTING

Fun, mirth, and laughter will be the order of business at the Freshman-Sophomore Prom, which will be held in spite of the fair lassies of the above classes attending the Freshman-Sophomore Debate. It seems to be the latest fad, and it has become quite a popular pastime in college circles.

The main attraction of the evening will be the minstrel show, which will feature the famous Omege Quartet. The group is known for their humorous and entertaining renditions of African-American music, and they are sure to provide a night of laughter and enjoyment. The show will include traditional songs, as well as some contemporary numbers, and will be accompanied by a lively dance floor.

The event will take place on Saturday night, starting at 8:00 PM. Admission will be free for all members of the university community, and a cash bar will be available.

FRESHMEN-SOPHOMORES SPLIT ON ANNUAL DANCE

The subject for debate was: "The tendency of American colleges is to over-emphasize athletics." This was a hot topic between the freshman and sophomore classes in their recent twenty-first annual debate. The affirmative side was represented by Mr. B. H. Thornton, a senior, Wm. L. Pavy, and Walter G. Johnson, while the negative side was defended by Miss Mernell Groves, Flora Dehn, and Walter G. Johnson.

The debate was well discussed on both sides, and everyone was impressed by the quality of the arguments presented. The final vote was a tie, with the affirmative side receiving 52 votes, the negative side 48 votes, and 25 votes being spoiled.

DOUBT IT IF YOU WANT
By R. J. Jones, '31

J. H. 'Chief' Collins has played football for eight years and has won eight letters. He has played in over 50 games, and for two years on the All-C. A. A. list. Collins is no nearer to his ideal than the rest of his collegiate pupils. During the 1926 season, Collins led the All-C. A. A. list, and his name was appended by the Vermont and Va. State.

Miss Wise, Washington was largely responsible for the 97 yard run of Deberry and it required every bit of the strength of his body to carry the ball.

We wonder whether Prince and N. W. Capehart are even on the team. Prince and Capehart were elected as members of the C. I. A. A. Football Committee and it is to be hoped they are as good as the rest of the committee.

SMITH FIVE, GOOD GAME

Of Shaw University Stars.

Bill J. Armstrong, McPhail, Drew, Tucker, and 'Slim' Washington were largely responsible for the 97 yard run of Deberry and it required every bit of the strength of his body to carry the ball.

The Smith five was a big draw card in this section in the last two season in succession.

The Aggie Bulldog team is the only football team in the history of the college to defeat Pangloss three times in succession.

January 15th, but until the Aggie had fought them to a tie at the fifth minute period was necessary to determine the winner of the game.

The Aggie Bulldogs went down before the first lightning bolt went down over the campus.

Plate, his boys defeated Hampton two years in succession.

OUPEGA BULLDOGS BEAT SMITH FIVE, GOOD GAME

Bulldogs Beat the Bluefield Cage Team.

In retaining their record of winning over a team which had defeated Hampton two years in succession, the Aggie Bulldog team will have a warm place in the hearts of the students. The game was a very close one to be decided by 10 points.
