Lift Every Voice And Sing

I

Lift ev'ry voice and sing,
Till earth and heaven ring,
Ring with the harmonies of Liberty;
Let our rejoicing rise High as the list'ning skies,
Let it resound loud as the rolling sea.
Sing a song full of the faith that the dark past has taught us;
Sing a song full of the hope that the present has brought us;
Facing the rising sun of our new day begun,
Let us march on till victory is won.

II

Stony the road we trod,
Bitter the chast'ning rod,
Felt in the days when hope unborn had died;
Yet with a steady beat,
Have not our weary feet Come to the place for which our father sighed?
We have come over a way that with tears has been watered;
We have come, treading our path thro' the blood of the slaughtered,
Out from the gloomy past, Till now we stand at last
Where the white gleam of our bright star is cast.

Alma Mater

Dear A. and T., dear A. and T., a monument indeed,
Around thy base with grateful hearts behold thy students kneel.
We bless the power that gave thee birth to help us in our need,
We'll ever strive while here on earth all loyalty to yield.

REFRAIN

With joy, with joy, dear A. and T., thy students turn from thee
To spread thy trophies year by year from Dare to Cherokee.

II

Dear A. and T., dear A. and T., the signet thou shalt be
Set by our great old commonwealth, proud boaster of the free;
She'd have the record of her worth on granite not inscribed—
Nay, let the children of her birth proclaim it by their lives.

III

Dear A. and T., dear A. and T., henceforth our aim shall be,
By precepts wise and deeds more sure to bless the State through thee;
The arts of industry to wield against an idle foe.
A harvest rich from ripened fields of what thy students sow.

THE ACADEMIC COSTUME

The academic costume worn today derived from practices originating in the Middle Ages. When European universities were taking form in the 12th and 13th centuries, the scholars were usually clerics as well, and consequently they adopted costumes similar to those of their monastic orders. Cold halls and drafty buildings made caps and floor length gowns with attached hoods a necessity for warmth. Probably because of the costumes' religious heritage, they remained largely drab until the universities gradually began to pass from the control of the Church, whereupon some aspects of the costumes took on brighter hues. Old prints reveal a strong similarity between the regalia worn in early universities and the academic costume worn today.

In light of the nation's strong English heritage, academic costume has been in use in the United States since colonial times. To establish a standard of uniformity with regard to the practice, an intercollegiate commission was formed which prepared a code for caps, gowns, and hoods which has been adopted by all institutions. Originally round, the shape of the cap is now the more familiar mortarboard square - a shape which resembles a scholar's book. Legend has it that the privilege of wearing a cap was the initial right of a freed Roman slave. The flowing gown has become symbolic of the democracy of scholarship for it covers any dress which might indicate rank or social strata. The hood not only indicates the type of degree, but is lined with the official colors of the University.

THE GOWN

BACHELOR - Black, full cut with long pointed sleeves.

MASTER - Black, long or short sleeves with arc-shaped panel extended for each sleeve.

DOCTOR - Black, with velvet panels on front of gown and three velvet bars on each sleeve. Color of the velvet may be black or distinctive of the field of study.

THE HOOD

BACHELOR - Three feet in length with a two-inch wide velvet.

MASTER - Three and one-half feet in length with a three-inch wide velvet.

DOCTOR - Four feet in length with a five-inch wide velvet and panel at the sides.

The lining of all hoods, which is folded out, bears the official colors of the institution from which the degree was received.

The color of the velvet indicates the field in which the doctoral was granted.

CAP AND TASSEL

Candidates for degrees at The North Carolina Agricultural and Technical State University wear the black mortarboard with a tassel the color of which is distinctive of the degree being received. The tassel colors are as follows:

Agriculture	Maize	Music	Pink
Arts and Letters	White	Nursing	Apricot
Accounting, Business Administration and Business Education	Drab	Physical Education	Sage Green
Economics	Copper	Speech	Silver Gray
Education	Light Blue	Public Health	Salmon Pink
Engineering	Orange	Science	Golden Yellow
Fine Arts	Brown	Social Studies	Cream
Home Economics	Maroon	Social Work	Citron

The gold tassel is worn frequently by those holding the doctoral degree and by college and university administrative officers.
