New Staff is Strengthened;
Very Efficient Students to Carry on Work.

ALEX. W. JONES IS EDITOR
Secretary Charles W. Price, Jr., Who Has Been
Director of Preparing Final Issue.

Alexander W. Jones, graduate of Constitute
Training School, Whittierville, N. C. G. M. C. e member of the
class of 1932, and an efficient student at A. & T. College, is
the new editor of the Register at the last meet­
ing of the class.

In succeeding Clarice W. Price, Jr., he has shown himself well as an
editor during the past school year. Mr. Jones, by virtue of the fact that he
has been graduated, is better equipped to carry on the
work, will be able to step in at once and carry on. He served fully
the past year as associate editor and the combined success of the Register is
certainly a credit with such
edits and efficient students as A. & T.
and, at the junior class, Virgil
W. Blankenship, a recent graduate of the college;
and, as an observer of the col­lege life, no one has better
and, in addition, he has shown himself competent.

The members of the staff were always
with the idea of having a Register with the best
in the new offices have been added and the
1935-36 issue has been issued as
noted below.

The staff is as follows:
Editors: A. W. Jones, Whittierville, N. C.
Managing Editor: Minnie D. Brown, Whittierville, N. C.
Business Manager: Edward C. Osmun,
Features Editor: H. S. T. Bell, Jackson, N. C.

STUDENTS SEEM PLEASED

"Here to­day makes a meeting in
class, I think that the students and
staff have some something of my
privilege in the coming year.

To make recommendations for gen­
card and specific improvements;
"My platform has been laid.
I want to make one point that is very
full consideration of the student body.
...To fit the students to be
very blessed indeed...I have the sup­
port of the student body. When I
try to do the best for the students.
Students are becoming increasingly
prepossessing the way the students see
and the trick is to make the
student the center of the
program in the student.

Don't let the student
program be the center of the
student's life.

TRENDS AND SUPERLATIVES

The "Better Homes and Gardens Week" program held in Dudley
in connection with the "A & T. College Superlatives." It
was sponsored by the Dudley chapter of A. & T. College.

It is the first year that such a program has been observed here.

"Better Homes and Gardens Week" was
initiated to improve the living conditions of homes
and to promote the ideals of the garden
and the beautification of homes. In addition, it
is one of the few programs ever to
be sponsored by the Dudley chapter of A. & T. College.

The program was divided into three parts:

1. A discussion of the current trends in
home decorating, with particular attention to the
problems of young women.

2. A demonstration of the work done by the students
in the Home Economics Department, with special
attention to the preparation of a meal.

3. A "Better Homes and Gardens" competition,
where students were invited to submit entries
for judging.

The program was well received by both the
students and the administration and
promised a successful conclusion
of the year.
