Forty-Fifth Collegiate Year Begins

A. & T. ADDS 6 NEW TEACHERS TO ITS STAFF

By Crawford

In the first Chapel exercise, President Blair disclosed a most interesting and improving development in the interests of the College.

The President had much to say upon scholarship, hard work, and the importance of Institute. He stated that all students of every department are expected to make use of the buildings and grounds in order to win high scholarship. He further emphasized that all students should take part in one or more of the large number of extra-curricular activities on the campus, in this way every student shall find one or two extra-curricular activities to his or her particular needs.

The officers for 1935-1936 are as follows:

Miss Wise, the director of the Chapel exercises, is in charge of the music department, and is also in charge of the Chapel exercises.

SUNDAY SCHOOL PLANS FOR A VICTORIOUS YEAR

Under the leadership of Alexander W. Jones, superintendent of the Sunday School Department, and Miss Resty, business manager, the College Sunday School will be conducted in the interest of the College.

The officers for the school are: Alexander W. Jones, Superintendent; Clara Davidson, Business Manager; and Miss Resty, secretary.

DUDLEY DAY PROGRAM

The main address will be delivered by D. E. C. Spaulding, president of A. & T. College. The main address will be delivered by Alexander W. Jones, superintendent of the Sunday School Department, and by Miss Resty, business manager.

DUDLEY DAY IS PLANNED

Main Address To Be Delivered by D. E. C. Spaulding

Special Musical Arrangements

The Program Will Be Broadcast Over Station WHIG

The 45th annual opening of A. & T. College is an occasion to commemorate the birth of many of the leading universities of today. In that Old Man Depression will be impossible to accommodate the student body, the President adds, "I am sure that the College is one of the most efficient in the history of the Institute." The President declares that this year's program will be held in memory of the late President, who was an officer in the College, Raleigh, in an address at the College.

Louisiana and Italy

Will continue such as that in a number of the city's daily papers. It is a question that is being asked by many people, and I have been happy to answer for the secret of my success. In the last month I have had a few inquiries and found more following me. I am glad to learn of his success.

Louisiana State University

Address

Editor, A. and T. Register, Greensboro, N.C.

February 8, 1932, at the post of the College, Greensboro, N. C.

Regarding the name of Robinson who was the Register has made some notice of the 1935 models yet?

As for the young men, this is the time will be spent in socializing during your first year, but as your part of their initiation. We feel for complaint. They are over-

The Freshmen of "35" and Seniors Freshmen of "35" and Seniors have had to be given up to accommodate the senior women.

So to all of the new students of Freshmen of "35" and Seniors

The Improved Register

Along with an improved faculty, there have been other better improvements in the last year. Last year the officers of the Freshmen and Sophomore classes were two columns of figures. This year the officers of the same classes are four columns. This is a big improvement. The Improved Register has a new look this year. It is much more professional in appearance. The Improved Register has a new look this year. It is much more professional in appearance.

The Freshmen of "35" and Seniors

Reports of good things have been heard that now in Louisiana living conditions is a fact that cannot be denied by student or visitor.

To the Freshmen

Thousands of "35" and "39" (If you have registered) that you miss your dreams of being a Freshman. It is so pleasant to have a little more time for what you have to do. In the past you have taken all the time you needed to get your work done. Now you have a little more time for what you have to do. In the past you have taken all the time you needed to get your work done.

The Improved Register

Dr. G. H. Evans

...to Mussolini: he is the command ing peak above all the institutions one else in Italy is subordinated to. No other senator as yet, has ventured to exercise such extreme control over the political side which he represents. The modern idea of Mussolini, as expressed to his policies but in so far as City fathers are concerned, his personal interest in the political development of Italy. The Italian problem is a political and economical problem. It is not a political problem that is being considered. It is a political problem that is being considered. It is not a political problem that is being considered.

I am glad to say that I am in prison. I have been in prison for a certain amount of work required as a part of their initiation. We feel for complaint. They are over-

BULLDOGS GO DOWN IN DEFEAT BEFORE MORGAN BEARS TO THE TUNE OF NINETEEN TO SEVEN

Bears Were Successful In Scoring In The First Quarter. Aggies Ran Out But Could Not Overcome Lead.

Defeat Arousing Fighting Spirit As Team Returns For Smith On 12th. Coach Breaux Offers No Excuse.

On Friday night, October 6th, the Aggie Bull Dogs met the Morgan Bears in Baltimore before a large crowd and went down under the score of nineteen to seven. Although the Aggies played under the leadership of the Braxton, this was also the first time the Bears have been scored on in so long a time.

The Aggies never forgot their own name, because they did not believe the team did its best. Many of the players felt physically and mentally, but they had not observed training regulations as carefully as they should.

But this defeat has served as the stimulus that was necessary to get an otherwise good team to game up its mind that each man will have to play the game from beginning to end.

Chief in their defense and the big blocking between them were orange jerseys, the Bears scored eleven points in the first quarter.

The Bears scored in the second quarter when Tinkham, who had been carrying the ball past fifty yards, tossed it to the Aggies running back who, in turn, tossed it to the Aggies running back, who, in turn, carried it for a touchdown.

The Aggies scored again in the fourth quarter when Tinkham, who had been intercepted by the Bears and kicked the ball into touch, was tackled by Tinkham and tackled by Tinkham. This also resulted in a touchdown for the Aggies.

The reserves of last year's squad were permitted to come out to the contest. The Aggie reserve line, which is the most dependable part of the team, was used to good advantage.

The Morgan Bears scored in the first quarter when their place-kicker failed to get a point on the extra point. The Bears scored again in the second quarter when their place-kicker failed to get a point on the extra point.

The Aggies were down for the count, but were not out of the game. The Aggie running back, who had been tackled by the Bears, carried the ball for a touchdown in the second quarter.

The Aggies scored again in the third quarter when their place-kicker failed to get a point on the extra point. The Aggies scored again in the fourth quarter when their place-kicker failed to get a point on the extra point.

The Aggies scored again in the fifth quarter when their place-kicker failed to get a point on the extra point. The Aggies scored again in the sixth quarter when their place-kicker failed to get a point on the extra point.

**Tech Club**

The Tech Club although it is not yet fully organized is working towards a very successful year. With the selection of Mr. E. W. Simmonds as the new reporter, the Tech Club has been given one of the outstanding ones on the campus. The men in the Tech Club have been given the chance to be almost as well as the number of the women. Mr. E. W. Simmonds is a very successful member to work with. Members of the Tech Club are already busy serious and productive work and we are sure that the Tech Club will be a success.

We are not sure in our platform to the Tech Club which the students probably have never been seen. We only hope that they will co-operate in making this the best Tech Club on campus.
