ARCHONIAN CLUB MAKES FINE INITIAL SHOWING

The archonian club, the pledge of the nortron and of the acton, gave a program in the chorus room last Sunday night, "Holy Night," was the opening number of the program. The program was followed by a number of songs popular and familiar to all. The chorale was sung by the director, Mr. Layton; and Miss Smith, soloist. The program was well attended and the audience was highly pleased.

BAUHHR AND ROSEY GET STUDENT PRIZES

C. G. Doogan was surprised to hear recently from President Taylor that she had won the prize for the best essay submitted by students to enter A. and T. College this year. A. M. Purkey was honored with the highest essay. These prizes were awarded by President Burroughs.

GRAND TRIBUTE IS PAID DR. DUDLEY ON FOUNDERS' DAY

Noted Educator Makes Stirring Address Before Large and Appreciative Audience

MISS BERRUCHES SPEAKS

The stewed the theme of immunity of the Faith, namely, Unity, Work, and the Right to Learn.

Speaking at the Founder's Day exercises, Miss Berruches addressed the students in a thrilling address. She started by giving a short history of the college and the work it has accomplished. She then compared the present day with the past, and showed how much progress has been made.

Miss Berruches said, "Theuação is a great institution. It has fought against the odds and come out victorious. It has paved the way for the future generation."

She went on to say, "The college has produced many great men and women. It has given them the tools to succeed in life."

Miss Berruches ended her address with a stirring call to action. She said, "Let us continue the work of our predecessors. Let us be the best that we can be."

The audience was highly pleased with Miss Berruches' address. They stood for a moment of silence to remember the founders of the college.

Dr. J. R. Williams, president of the college, welcomed the guests and speakers. He said, "It is a great honor to have Miss Berruches speak here today."

Dr. Williams ended his address by saying, "Let us continue to work hard and make this college the best it can be."

The audience ended the program with a rousing ovation for Miss Berruches.

CHORAL CLUB GIVES THE "CHRISTMAS CAROL"

Famous Cantata Is Artistically Rendered and Appreciative Audience

ETHYLL WISE IS DIRECTOR

For the first time in the history of the college, the chorale club gave a Christmas Cantata. The cantata was well received by the audience.

The chorale club was directed by Ethyll Wise, a well-known local musician. Wise has been a member of the chorale club for many years and has always been a great advocate of Choral music.

The program featured several popular Christmas carols, including "Silent Night," "O Christmas Tree," and "Oh Holy Night." The audience was highly pleased with the performance.

Personally Directed

The director, Ethyll Wise, personally directed the chorale club. She said, "I am very proud of my students. They have worked hard and it shows in their performance.

The chorale club will continue to perform at future events. They will be sure to bring the same level of excellence to every performance.

A. AND T. WELCOMES NEW YEAR WITH HIGH ANTICIPATION

Great Things Have Been Accomplished in Both Academic and Social Affairs

OFFICIALS ARE PLEASED

With Enthusiasm in Excellent Condition for the New Year

With the coming of the new year, A. and T. will be among the most favorably located institutions and will continue to serve the community.

Several new graduates are being employed in various fields.

Several new students are being enrolled and will be a great asset to the college.

The college has also received a generous donation from the Choral Club.

The college is well equipped with new laboratories and classrooms.

The college has also received a generous donation from the National Alumni Association.

Alumni and Friends are invited to attend the New Year's Eve celebration.

The college will continue to provide a high level of academic and social activities.

For more information, please visit the college's website.
An Interview with Dean George

It was interesting indeed to interview the man who gives the ideas and opinions of the college administration. Dean George has been here a little over a year and has made himself so well known that it is not necessary to speak of his accomplishments. The interview was a short one, since he was very busy with his duties and with the students.

Dean George: I think the most important thing that happened to our college this year was the opening of the new science building. It is a beautiful structure and will provide excellent facilities for our science students. We have also been able to expand our enrollment and attract more students, which is a great source of satisfaction to me.

Interviewer: And what about the future? What do you see as the most pressing issues facing our college?

Dean George: I believe the most pressing issue we face today is the challenge of diversity. We must work to ensure that all students, regardless of their background, have the opportunity to succeed. This includes providing adequate resources and support for minority students, as well as fostering an environment that is inclusive and welcoming for all.

Interviewer: Thank you for your time, Dean George. Your insights are truly valuable.

Dean George: You're welcome. It was my pleasure to speak with you.
In the first issue of The Register, I predicted that the Aggies, after losing their initial game to Morgan, would win the remaining games of their schedule. Well, my prediction was correct. The Aggies went on to win their remaining games and finished their schedule. The Lions found one of their passes intercepted by McClain, Aggie back. This intercepted pass resulted in a 44 yard gain. A long pass, about 30 yards from scrimmage, went for a touchdown, climaxing the second half. The crowd was spell-bound at this rare sight. The Aggies then resorted to a plan of defense for the remainder of the game. The line was so strong that it was difficult for the Bulldogs to advance. The line was composed of Burgess, E. Henderson, Frank P. Morgan, T. Morgan, and Morgan R. H. McClain. Norman kicked the extra point. Burden played a brilliant defensive game for the Aggies. The line completely dominated the Bulldog line throughout the season.

### Delta Sigma Theta Sorority

**About the Delta Sigma Theta Sorority**

The Delta Sigma Theta Sorority is one of the oldest and most prestigious women's sorority in the United States. It was founded on November 13, 1913, on the campus of Howard University in Washington, D.C., by 22Founders to foster cultural, educational, and spiritual growth among its members. The sorority's mission is to aid in the intellectual and mental development of its members, and to promote the welfare of the academic community at large.

### In the News

The Delta Sigma Theta Sorority has a long history of community service and advocacy. The sorority's activities range from educational programs to political and social activism. Delta Sigma Theta members have been involved in numerous civil rights movements, including the fight for equal rights for African Americans and women.

The sorority has a strong emphasis on leadership development, and it provides its members with opportunities to develop their leadership skills through various programs and workshops. Delta Sigma Theta also has a strong commitment to service, and its members participate in numerous community service projects throughout the year.

In addition to its national headquarters, Delta Sigma Theta has chapters in various cities across the United States and around the world. These chapters are actively involved in their local communities, providing service to individuals and organizations in need.

### Conclusion

Delta Sigma Theta Sorority is a prominent women's sorority that has made significant contributions to the intellectual, cultural, and social development of its members and the communities it serves. The sorority's emphasis on leadership development and community service continues to inspire its members to make a positive impact in the world.
