NEW PREXY
Warmoth T. Gibbs, former dean of the school of Education and Science, has been named president of this college. President Gibbs takes over the position left vacant by the death of Dr. F. D. Bluford.

FACULTIES HEAD
Jerald M. Marteena, who headed the school of Engineering for more than fifteen years, was recently appointed to the newly created post, dean of faculties.
Soprano Thrills Concert Audience

Leontyne Price, the popular young soprano, participated in a capacity audience which jammed the mammoth Concert Audience on January 31.

For her program Miss Price chose songs by Handel, Gluck, Janacek, Massenet, Samuel Barber and Poulenc, two operatic arias and a group of spirituals. The soprano daintily opened her program singing the beautiful and opulent "Sospiro" from "Rinaldo." She closed the first group with Handel's "Hope, No More This Heart Suspending." The second group gave the young singer a rapturous ovation which sustained itself until the end of the program. With the singing of these two songs, one became aware that we were in the presence of an artist.

On Thursday, February 9, Mr. H. H. Totten, professor of botany at the University of North Carolina, explained the new project being developed along the lines of instruction in that field. Dr. Henry S. Wooten, an accepted authority in the field of Negroes in World War II, made a presentation on "Growth Through Books." In chapel February 7, Dr. Stroud, professor of English reviewed Richard Wright's recently published novel and Dr. Leadie M. Clark reviewed THE NEGRO IN THE AMERICAN REVOLUTION. The general theme of the program was Negro History Week, February 6-10. Dr. Virgil C. Stroud was in charge of the film, THE NEGRO IN THE WORLD WAR and Dr. W. Malcolm Johnson, Jr., was in charge of the film, THE NEGRO SOLDIER. This film illustrated the part played by the Negro in the many wars our country has participated in down through the years from Clinton's attack on the heroic Negroes of World War II.

Choir Readying For Annual Tour

The A. T. C. college choir under the direction of Mr. Howard T. Peay will be leaving on its annual spring tour. The choir will start the tour with a benefit concert at Harrison Auditorium, February 28, and will be touring approximately two weeks. It will be featured in several church programs and will also be guest choir at a high school musical festival among other things.

Annual Negro History Week Observance Held

The history department led in the annual observance of Negro History Week, February 1-10. Dr. Virgil C. Stroud was in charge of the program. The general theme of the week was "The Negro Heritage: An Immediate Theme." "Growth Through Books" was read in chapel February 7. Dr. Stroud was moderator at a panel review of a book. Other activities included a Negro Art exhibit, a Negro history display, Miss Zue Park's of the Department of English reviewed Richard Wright's "Black Power," Dr. Frances Logan of the Department of English reviewed THE NEGRO IN THE WORLD WAR, Dr. Benjamin Quarles, and Dr. Leadie M. Clark reviewed Negro films and Dr. Horace T. Whitman reviewed "Whitman's Concepts of the Colonial Negro.

On Thursday, February 9, Mr. W. Malcolm Johnson, Jr., was in charge of the Negro in the World War. This film illustrated the part played by the Negro in the many wars our country has participated in down through the years from Clinton's attack on the heroic Negroes of World War II.

For Youngsters

Early Lessons In Science Advocated At Meeting

A group of North Carolina high school science teachers attending a special symposium at A&T College were told of the value of early and effective science instruction.

The principal lecturer was Dr. John Urban, professor of science at New York State College for Teachers at Buffalo. He told the group of approximately 150 that, "as the world changes, our responsibilities as teachers also are altered. To be effective teachers, we must meet the needs of today's children.

He explained that the effective teacher must do his job the best way he knows how and not as it usually has been done before. He said the teacher must have a scientific attitude and emphasized that teaching is an art, not a science, in which one must constantly add to and improve on methods.

The group also heard Dr. H. B. Trotter, professor of botany at the University of North Carolina, explain a new project being developed along the lines of instruction in that field.

Dr. Henry S. Wooten, advisor in science and mathematics for the State Department of Public Instruction, introduced the speakers.

For solution see paragraph below.

MATCHLESS—that’s the word for Lucky Strikes. Want better taste in a cigarette? Light up a Lucky! Luckier taste better because they’re made of fine tobacco that’s TOASTED to taste better. Incidentally, matchless is the word for that Doodle, too; it’s titled: Very short candle as seen by Lucky smoker about to light up. Touch a flame to a Lucky yourself. You’ll call it the most glor¬i¬ous cigarette you ever smoked!

Rating Board Stamps Approval On Institution

A four-man rating board, appointed by the A&T College at Raleigh, N. C., for the purpose of appraising and reviewing the activities of the 1956-57 academic year, has recommended that the institution be granted A on the basis of its work during the period.

The report of the board was based on a survey of the institution's activities during the year by the four members, who visited the College on two occasions last fall and winter.

The report, which was made public at the College's annual meeting of faculty and staff, praised the efficiency of the administration, the faculty, and the students, and commended the College for its progress during the year.

The board has also recommended that the institution be granted A for its work during the years 1955-56 and 1954-55.

At Special Meeting

Gibbs Appointed President; Martenea Heads Faculties

SPECIAL

Warmouth T. Gibbs, dean of the School of Education and Science at A&T College since 1929, was elected president of the college at a special meeting of the trustees board here Wednesday morning.

He succeeds the late Dr. F. D. Blaford, who died on December 21, 1955, immediately following a heart attack at his home in Greensboro. Gibbs, a native of Raleigh, was selected by a board of trustees which met in the emergency appointment was confirmed at a meeting of the full board held on Wednesday.

Charles A. Rice, chairman of the board, told reporters following the meeting on Wednesday that Gibbs' appointment was made unanimously by the board and that all of whom were present at the meeting. "I am confident that the college will continue its fine progress under the helm of Dr. Gibbs, who has contributed much to it over a long period of years," he said.

The board, also took action in connection with the Board of Trustees of the School of Engineering to appoint C. C. Lewis, dean of engineering, as president of the college. A member of the Board said that the move was taken to relieve some of the administrative duties of the president. Mr. Gibbs, a native of Raleigh, has been associated with the institution since 1915. Upon joining the staff at the College, he served as dean of men and instructor in English. He has been active in education and history since 1929, and has been president of the college since 1949, a position he has held since 1949, has been re-elected to the presidency of the college three times.

JOBS FOR COLLEGE GRADUATES

Will Reach Peak In '56

Jobs for graduate in 1956 will reach the highest point in recent years and numbers will be higher than at any other time in the last decade. As a result of this continuing trend, the demand for college men will be higher than ever. Jobs for women are fewer in number than ever, but employers reported a need for female graduates for training or for majors in chemistry or physics.

Gibbs has graduated over 7,000 young men, who are now well distributed throughout the United States. Gibbs has been a leader in the employment of Negroes in the fields of science, engineering, medicine, and agriculture. The Gibbs foundation has supported many of the leading Negro educational institutions in the country, including A&T College. Gibbs has also been active in the field of education, serving as a member of the Board of Education in the city of Raleigh. Gibbs has been a leader in the employment of Negroes in the fields of science, engineering, medicine, and agriculture. Nash Named "County of Year"

Nash County was named last week as winner of the Clarence Poe, "County of the Year Award" for rural progress in the state.

The award is given annually to the county in which the Negro rural population has contributed the most to the state's economic progress.

The winning county, one of the leading producers of tobacco, is located in the heart of the state, with a Negro population of 25,000. The county is also a leader in the production of other crops, such as cotton and peanuts. Nash County has also been praised for its efforts in developing new industries and improving the quality of life for its residents. The county has been a leader in the fight against discrimination and has been praised for its efforts in promoting education and economic development.

Spring Quarter Registration March 9-12

EXAMINATION SCHEDULE—WINTER QUARTER, 1956
SATURDAY, MARCH 4, TUESDAY, AND WEDNESDAY, MARCH 7, FROM 7:00 A.M. TO 6:00 P.M.
REGISTRATION FOR THE SPRING QUARTER WILL BE HELD MARCH 9-12.

LENGTH OF PERIOD: TWO HOURS
PLAGIARISM AND BLACKBOARD PRACTICE

PLAGIARISM: It is defined as the presentation of another's work as one's own, either by copying or paraphrasing it without proper attribution. It is also referred to as the use of another's work without proper attribution or acknowledgment. Plagiarism is considered a serious violation of academic honesty and integrity.

Blackboard practice: It is defined as the practice of writing or words, pictures, or symbols on a blackboard or other visual display without proper attribution or acknowledgment. Blackboard practice is considered a violation of academic honesty and integrity.

Notes: Tests and students should check their accuracy and completeness of answers and details. Notes are not permitted in the final examinations.
Need For Criteria Remains

It was heartening to note at last we have been able to initiate some letters to the editor. We encourage and appreciate your replies, however, thanks to a previous editorial in which we stated that letters be neither malicious, Rhetoric, nor injurious to any person's character or to the reputation of this institution. This paper will not condone or encourage such editorials.

In a letter to the editor appearing on this page concerning an editorial on outstanding seniors, an apparent disposition from this paper has been made. In the future, letters of this nature will not be printed. This particular letter was pruned to allow those who would be first to talk about the REGISTER.

In the aforementioned letter, its writerAccomplish the editor for charged emotion. Pandemonium was generated by allowing into this submission... his, with his fantastic charges and name-calling.

He asks for proof to back up his statements, I'm sure. Some errors were misrepresented, merely SOME. If he wonders why his editor was asked to furnish proof to the editor, he is working behind the smokescreen of that paper's editorials.

Furthermore, the editor states that the students here are reading... and I would like to see these personal, by personal friends and acquaintances. An Eastern proverb says: "With time the yoke sits easiest on the neck of the patient, and he feels his chain the least who does not lag.

Complimentary

To The Editor:

I am writing you just after you have been doing a swell job and ask that you be able to continue doing so. I think that the students here are reading... and I would like to see these personal, by personal friends and acquaintances. An Eastern proverb says: "With time the yoke sits easiest on the neck of the patient, and he feels his chain the least who does not lag.

The question has been asked... We know because some present at the concert, mention that there was not much applause.

Now, if it is true that these people are present at the concert, time is not so much of a concern, and no one can say that they do not know who they are then, Mr. Editor, who does or did present at the concert. I feel that you are... to be so selected, even by the members of the staff, would have to be an outstanding senior who was selected outstanding, as the seniors and juniors were.

Alphonza King

Alphonza King

Big Noise From “Ba Ma”

By O.D. Fenn

After reading the many accounts of the near riot that followed the admission of a single non-white student to the University of Alabama, and at the same time hearing accounts of uninterrupted routine that follows... and everyone else who has come in contact with Billy, holds for him. He was a guest at our table at Bird-Thursday, and the nearest that this paper has come to the most Billy Taylor that he had ever been exposed to at one time.

Pearsall showed the high esteem he, and everyone else who has come in contact with Billy, holds for him. He was a guest at our table at Bird-Thursday, and the nearest that this paper has come to the most Billy Taylor that he had ever been exposed to at one time.

The trick is to employ... By employing successful discretion.

The trick is to employ successful discretion.

The Register

February 25, 1956

Seniors Are Not Falsey Represented

To The Editor:

Your editorial of January 25, 1956 was a most praiseworthy editorial... I would like to see these personal, by personal friends and acquaintances. An Eastern proverb says: "With time the yoke sits easiest on the neck of the patient, and he feels his chain the least who does not lag.

On the other hand, as was clarified in a previous editorial, we ask that these students... by personal friends and acquaintances. An Eastern proverb says: "With time the yoke sits easiest on the neck of the patient, and he feels his chain the least who does not lag.

Some of the most prominent are courage, honesty, and perseverance. Respect can be only earned through... the children's designers are not to be so selected, even by the members of the staff; would have to be an outstanding senior who was selected outstanding, as the seniors and juniors were.

It was heartening to note that at last we have been able to initiate some letters to the editor. We encourage and appreciate your replies, however, thanks to a previous editorial in which we stated that letters be neither malicious, rhetoric, nor injurious to any person’s character or to the reputation of this institution. Deltas Present Jabberwock

Once again the Delta Sigma Theta Sorority presented the Jabberwock Festival. It was held in the Student Center. Introducing the 11th Jabberwock, were Mr. and Mrs. Andrew Johnson, entertainers. The Stroll March from Scipio Alpha, was selected by Mr. and Mrs. Johnson. The Jabberwock was introduced by the symphony band, followed by the skit "The Importance of Wings" and "Wanderland." Drama, dance, music and poetry were all featured. The entertainment closed with "Once In A Life Time" to a wind-up of applause.

The next year this first award went to Mrs. Peabody Chapter of Omega Psi Phi fraternity, second place to Alpha Phi Chapter of the Alpha Kappa Alpha sorority and third place to Kappa Lambda Chapter of Alpha Phi Alpha fraternity. Ernest Miller of the Omega Psi Phi fraternity was the recipient of the silver cup for the best actor.

Judges for this year's Jabberwock were: Mr. and Mrs. John R. Hill, director of guidance, Bernstein College; Mr. Bob White, instructor of English, J. C. Fink School; and Mrs. Annie Hurst, instructor of English, Dudley High School.

On February 13, the pledge club presented the big dates with a Valentine party. Faye Irving, who is a home economics student asked for helpful advice in the shape of a heart and decorated it with icing which read: "My Valentine."" (Continued from last edition)

Numerous Committees Named

For improvements By Dean Gibbs

For over all campus development and for the alleviation of problems indicated by the ranking board of the Southern Association, Dean Warmath T. Gibbs has appointed the committees listed below.

The members of these committees are invited to make suggestions to the chairman of the committee concerned. Full committee reports and the names of all members will appear in the REGIS-TER.

1. WAYS AND MEANS OF IN- 
CREASING THE USE OF OUR 
STUDENTS AND FACULTY 
(Mrs. Leslie M. Clark, chairman).

2. METHODS OF IMPROVING 
OUR STUDY HABITS OF OUR 
STUDENTS, AND OF DEEPENING 
INTTELLECTUAL INTEREST 
(James Pendergrast, chairman).

3. WAYS AND MEANS OF 
IMPROVING THE EFFICIENCY 
OF INSTRUCTION ON OUR 
CAMPUS (Lewis C. Dawks, chairman).

4. VOCATIONAL OPPORTU- 
NITY WEEK PROGRAM — (Hardy 
Lang), chairman.

5. GUIDANCE, COUNSEL- 
ING AND PLACEMENT — (Dr. A. 
F. Jackson, chairman).

6. ROYA L SCHOLARSHIP 
IMPROVEMENT — (Ben R. Hill, 
chairman; Herbert M. Leighn, co-chairman).

7. REGISTRATION PROCE- 
DURES — (Mr. Ormonde T., 
Davis, chairman).

8. COUNTY (Mr. Vernon 
Johnson, chairman; DESIRES HABITS 
— Mrs. Ann Lash, chair- 
man; Leona E. Phillips, 
Olle Zee 0. Parks, chair- 
man; course program, M. 
Cochet, chairman; STUDENT 
-TEACHER STAFF AND ADMIN- 
ISTRATION (Dr. Gledy Roy, 
DORMITORY LIFE (Dr. Re
gard), (Clay DeReg- 
ihan, chairman; CAMPUS 
DECORUM — (Elise Corbet).

9. RESOLUTIONS FROM THE 
FACTOR Y AND STUDENTS IN

COMMEMORATION OF DR. BLU- 
FORD'S SERVICE AT THIS INSTI- 
TUTION, AND A SUGGESTION TO 
A SUITABLE MEMORIAL, 
EL E. L. — (C. B. Gibbs).

Eight Initiates Into A. K. M.

Eight scholars were initiated into the Gamma Tau Chapter of the Alpha Kappa Mu, National Honor Society February 1.

New members are as follows: Roy Brown, Harlie G. Swift, Walter Jackson, Ruthellow, Flossa Homer, Jeanne Oliver, Alva Taylor, and Janice P. Pierce.

This initiation took place at the end of several projects and activities which had been carried on jointly by the Sophite Society and Gamma Tau.

As a part of these activities, the groups presented a skit during the regular clopped hour. The skit "You and Your Future," was written by Myrtle O. Cunningham, director of an important college education in industry. Humor intermingled with sincerity in school work challenged these scholars to renew their efforts to improve their averages.

YMCA Delegates Sent To Meet

Last Thursday the Y. M. C. A. had three delegates to represent the local chapter at the National Young Men's Christian Association Conference to be held this month.

The conference which lasted four days was attended by Horace Horne, William Good, John Miller, and Dean Jimmie Barber, assistant advisor to the organization.

Work shops, lectures, and discussion periods at the underscore activities dominated.

A more detailed report of this conference will appear in the next edition of the REGISTER.

Zetas Make Plans For Womanhood Week Program

Zeta Alpha Chapter of the Zeta Phi Beta Sorority is very much in the making plans for their "Pinner Womanhood" Week Program, to be held February 13 at 2:00 P. M. in the Harrison Auditorium, speaker for the event will be the Grand Basileus of the Zeta Phi Beta Sorority, Soror Debrah Martin, instructor of education, Queens College, Flushing, New York.

February 26 through March 3, there will be on display in the Blum- 
ford Library, the fall and winter quarter projects done by the Arch- 
rons and the Zetas. Other events of importance to be held the latter 
part of this month are a homecoming breakfast which is to be held at the El Boro the morning of February 25, in honor of the Grand Basileus.

On February 13, the pledge club organized the big dates with a 
Valentine party. Faye Irving, who is a home economics student asked 
for helpful advice in the shape of a heart and decorated it with icing 
which read: "My Valentine."
**Girls' Basketball Intramural Games Begin**

The CIAA Intramural Basketball games got underway recently in Moore Gymnasium with two games on January 25. The league, under the auspices of the Women's Athletic Association (W.A.A.), was as numerous last as the year before and answered to the challenge of December.

One of the games pitted the "Pirates" and "Rams" in a wing-ding of a battle. The teams battled through the first and into the second period before anything solid was laid by either team. Then the breaks began, to fast break the "Flashers" taking advantage of the "Trotters" lack of defense. The "Flashers" were the stronger of the two teams at this point. The score was 23-20 in favor of the "Flashers" but the "Globetrotters" playing like a hardworking team, had the ball with time running in the "Hawks" favor. The "Trotters" got off to a good start, working the ball with precision and throwing a few dozen from a cat, and catching in on their scoring opportunities which were many. The "Hawks" suffering at this point in the game, were to change hands a few times in the later stages of the game.

The third week of action, saw the "Flashers" take it easy in the second half, gaining a 9-point lead in the opening minutes. The "Flyers" were not to be outdone and the "Trotters" remained challenging. The "Flashers" went away, winning 26-23.

Joe Howell, the Irvinmen made three of play. Sparked by the pivotal last two minutes to eke out a victory for the "Flyers" in two occasions.

The second game of the evening saw the local "Globetrotters" take it easy in the second half, gaining a 6-point lead. Joe Howell yet not a "showboat," displayed his talents to the utter enjoyment of the crowd and the dismay of the Eagles and their followers. His dribbling and ball handling in the latter stages of the game brought the crowd to their feet and their rousing never ceased until thirty minutes after the contest had ended and was history.

**AGGIES WHIP W. VA. IN CLOSING SECONDS**

Harrison Packers Attack

The Aggies had to rally in the last two minutes to eke out a 54-52 win over a strong and well-balanced West Virginia State College team on the local hardwood, Wednesday, February 6, thus stabilizing their fourth place position in the CIAA.

The local crowd led by as many as twelve points in the second half and seemed to have the contest in hand. But the West Virginia State College "Bomberettes" matched with the Aggies, and gave it a very close game. But the local "Bomberettes" were defeated to the Aggies' 12-10. It was interesting to watch the ball being wrestled in the pivot points by the Aggies' Billy Smith and Lawrence Harrison. The fashionable and very stylish Harrison out-pointed the "Bomberettes" for a victory over the "Bomberettes".

**CIAA Cage Tournament Set For Feb. 23**

Plans for the Central Intercollegiate Athletic Association's 11th Annual Basketball Tournament to be held in North Carolina College Gymnasium, Thursday, Friday and Saturday were released recently.

The Tournament composed of the top eight teams of the eighteen team league is one of the most colorful and exciting athletic events of the year. The teams that will be participating in the tournament are Maryland State, Winston-Salem, Virginia Union, North Carolina College, Howard, A&T, Delaware State, and Fayetteville Teachers College.

North Carolina College, the host and defending champions, are currently ranked fourth and the high flying Hawks of Maryland State lead the league.
A & T Wins Two on Last Northern Trip

A & T Whips Bucs 78-66 At Home

Our Aggies had to fight their way from a 62-62 deadlock with two minutes to play to decide the pesky Hampton Pirates 78-66 at Hampton, February 4.

The Aggies reaped sweet revenge from the Buccaneers who administered the Blue and Gold their first defeat of the campaign. Holding a halftime margin of 2 points, the Irvin Cagers had to stave off the Hamptonians time and again in the second half as they fought tirelessly to score their sixth victory in loop play.

Hampton's scoring ace, Amos, led the scoring derby with twenty-one markers. However, he was pushed by the Aggies' Harrison and Billy Smith with 19 and 17 points respectively.

This victory gave the Aggies a split with the Hampton Quint for the season. It also marked their tenth win against five losses. In CIAA play.

For Hampton, it was their twelfth loss in seventeen outings.

Miscellaneous
