Dowdy Requests More Money For College

When Dr. L. C. Dowdy presented requests to the Advisory Budget Commission for $48,500 for capital improvements, he also presented additional budget requests for $1,073,190 for the next biennium. In making his appeal for more funds, Dr. Dowdy cited the need for an additional biology building, $885,000; dormitories, $180,000; library, $130,000; and physical plant, $5,000.

The additional funds would provide for a salary increase of 15% for all faculty positions, as well as for library, athletic, and educational equipment, and necessary supplies. Dr. Dowdy also requested funds for additional instructors and research.

In his appeal for these funds, Dr. Dowdy cited the need for funds for the various instructional programs through the usage of the funds. He requested funds for educational equipment, and supplies. This appeal for more funds, Dr. Dowdy said, would provide for a salary increase of 15% for all faculty positions, as well as for library, athletic, and educational equipment, and necessary supplies.

He Illustrated A.T.'s needs for financing the college through the Controller of the State's report on the financial status of the college. This report was compiled in connection with the review of the college's budget by the Advisory Budget Commission.

The College's financial status, according to the Controller of the State's report, is in a satisfactory position. The report indicates that the college is experiencing a steady increase in enrollment and is able to meet its financial obligations.

The report also indicates that the college is able to meet its financial obligations. The college's financial status, according to the Controller of the State's report, is in a satisfactory position. The report indicates that the college is experiencing a steady increase in enrollment and is able to meet its financial obligations.

State Requires Natl Exam For Teacher Certificates

Anyone who expects to apply for teacher certification in North Carolina must file evidence that he has taken the National Teacher Examination. This information comes from the National Department of Public Instruction. In announcing the date of the state-wide administration of the examination, February 16, 1961, the Department made the following statement:

"An applicant for a certificate must first evidence that the National Teacher Examination has been taken before any new or renewed certificate may be issued. This includes applicants for certificates by prospective teachers from both in-state and out-of-state colleges, as well as teachers who wish to raise their presently held certificates.

"Both common and optional examinations may be taken one year without taking the examination provided the self-study component is met. Students must be seniors in college and plan to complete their degree program prior to the fall of 1961. He is the son of Mr. and Mrs. Walter T. Johnson, Jr., and the son of Mr. and Mrs. Charles L. Hayes, Jr., chairman of the Department of Education and the director of the college.

"The Cream of College News is a department of the College News that appears periodically in the college newspaper. It is designed to familiarize the student with the various branches of the Federal Government.

Walter T. Johnson, Jr., former president of the A&T College Student Government, has been initiated into the Phi Beta Kappa Society at Duke University.

With this recent affiliation, Johnson became the first Negro to gain membership in the Phi Beta Kappa Society, as well as the first Negro to gain membership in the Phi Beta Kappa Society, as well as the first Negro to gain membership in the Phi Beta Kappa Society, as well as the first Negro to gain membership in the Phi Beta Kappa Society.
New Parade Route

In the last edition of The Register, it was announced that there would be a new parade route proposed.

This new parade route would take the homecoming parade away from the norm; in fact to the participants in the parade, it seems that the parade would be a great disappointment.

From conversation with students around the campus, it seems that the greatest point of excitement in the whole parade away from the norm; in fact to the participants in that a new parade route had been proposed.

The proposal of the parade route obviously did not take the feelings of the students into consideration; for, from the students’ point of view, the most important part of the whole parade is to be seen. Not to accomplish this feat would be very demoralizing to a majority of the students.

The program is to eliminate any such spots, the Hospital Zone and the School Zone (Bennett College) were obviously overlooked by the authors of the proposal.

If the parade goes down Benbow Road, for one block there will be no space for spectators to watch except on one side of the street. Then the remainder of the distance, the band could not play because then the parade would be approaching the downtown area.

Down Benbow Street the band could play very little because, for at least one block, the noise would disturb the hospital. Then, two blocks down, the Bennett College School Zone which has classes on Saturday morning, so this would be a quiet zone also.

Now, down Pearson Street, there is very little viewing space also. If the parade comes down Benbow Street, the parade would be in the middle of the middle of the redevelopment project also; therefore, it seems to us that the purpose of this whole redevelopment project appears not to be in the way at all.

The parade route, as proposed, would go through a very densely populated area most of its route and in two long spots on the route the band could not perform. These two spots, the Hospital Zone and the School Zone (Bennett College) were obviously overlooked by the authors of the proposal.

In analyzing this route, it would seem that the “purpose” in changing route is not being achieved, for the redevelopment project appears not to be in the way at all.

The Register, as a source here for the Agricultural and Technical College, am happy to see editions of The Register, together with more student writings, each one of more details pertaining to current events, general opinions of current world events, essays on international, and improvements in the production of dictators.

A team of experts from the International Development and Development has been established to go to Sierra Leone to study the local social and economic needs.

Greater exploitation of forests, together with manufacture of furniture, is one of the main projects this year.

Looking At Africa

PHENIE DYE

As the cool autumn mornings are approaching, we must dress accordingly.

Adults has hailed this season with its own plethora for a beautiful fall day or a date. (Who says dates belong only to spring?) Fall brings to light this season of the year with its own bountiful gifts. The sleevesless white cardigans of old days and many new creations. The aqua dacron and cotton skirt bring sparkle to the outfit. It is appropriate for classroom, buffet luncheons or other social activities.

Our colors in the fall are seen in a easy sweater, to replace the existing one now shared with Gambus. This parka will be is issued by the Sierra Leone currency board. The government has now issued a new currency, which they have named the "Liberian dollar". This new currency will be Decimal.

DEVELOPMENT PLAN

A ten-year economic and social development plan has been issued by the Sierra Leone Government. During the first year the economic situation will be assessed. The government has set aside $17.5 million of which $10 million will be used to repair roads and health and sanitation plans and provided $7 million.

Bobby Spencer Is Selected To Lead Harrison Players

Bobby Spencer, an agricultural education major, has been selected president of the Richard B. Harrison Players. Spencer was elected at a combined Welcome Back party and organizational meeting Thursday evening, September 27, in Hodgell Auditorium.

Other officers elected were Gas- ton Brown, president; William Cullum, vice-president; Connell Fisher, senior; Jacksville, scribe; Cornelius Tideswell, assistant secretary; and Herman Thomas, sence, Bry- son City.

Both Spencer and Thomas have been members of Amston Benedict, the leading character in "The Greatest Man Alive." This drama will be the Richard B. Harrison Players' first production this fall.

It will be presented October 31 and November 1 at 8:00 p.m. in Hodgell Auditorium.

More than one thousand students attended the opening reception and the opening night performance of the production.

The drama, which is a reworking of the Corps to surpass its previous military and academic achievements, was directed by Major William Goode, professor of Military Science. The Avery and Frank H. J. Tidmore are candidates in the academy for the year of specialized study. The program would better equip them to profit significantly from a year of specialized study. The program would better equip them to profit significantly from a year of specialized study.

To acquire the colors, Major Goode said, "Slow well the challenge is met will depend on each of us. As members of the Corps, I hope you will help to make this production a success."

Dr. L. C. Dowdy, who also attended the opening night gala, asked for the cooperation of those present in making the best campus in the nation. "I challenge you," he said, "to show your interest in your activities and approach them as the most important thing you have done. Take the lead and set the stage so that others will follow your pattern."

For the opening night gala, Dr. Dowdy declared, "You are the leaders on campus. As Corps Commander, Alfred T. Pearsall at the piano. Mrs. Jones died in 1960.

Dr. L. C. Dowdy stated that plans for future usage of the property have not been completed but the committee working on these plans have come up with several possibilities.

Library Begins Lyceum Series

The Library Lyceum Committee will present monthly lyceum series during the academic year at 1:30 p.m. of these series will be held in the H. Clinton Ray or Art Gallery, located in the basement of the Bedford Library.

These series will help the students and all other interested persons to recognize, understand and appreciate the various phases of the world's culture.

Discussions, lectures, exhibits, film presentations, musical and other programs have been included in the schedule.

The calendar for the events in the series is as follows:

United Nations week, October 22; National Book Week, November 15; Christmas Art Exhibit, December 1; Music and Religion, January 25; Film Presentations on Contemporary Authors, March 15; National Library Week, April 5; and Book Reviews, May 6.

Additional news concerning the various series will be announced.

Homecoming Parade Floats

Plans for this year's homecom- ing have been announced and will make this year's parade of floats the most colorful and impressive in the history of A&T College.

Many students have entered for the float awards, all organizations are working hard to put on their best entries. The winners will be announced at the end of the parade.

Projects in such fields as busi- ness and industrial administration, agriculture, extension, journalism, and economics will be shown. The floats will be judged on the basis of their originality and their educational value.

A&T Participates in Institute For Teachers

In a recent interview Dr. George C. Royal told reporters that again this year A&T will participate in the State in Service Teacher Institute. The institute was held in the Spring of the year.

Mr. Royal said that A&T is among twenty-two colleges in the state which will provide instructions for different instructional centers throughout North Carolina.

These centers are set up in communities which require them and instructors are employed to teach different subjects, with the same course.

The Service Teachers program was made possible by a $80,000 appropriation from the State Gen- eral Assembly for the purpose of helping the schools.

The program is free of charge to the schools who participate with only the cost to them being what they may pay for the services.

A&T, last year, supplied instructors for eight different centers throughout the state. These centers included installations at Spindale, Albemarle, Lincolnton, Concord, Walnut Cove, Rastetter, and Andover.

Faculty members from the collec- tion were who participated in the pro- gram taught courses in general education, fine arts, geography, and advanced grammar.

College Receives Gift Of Property

As Dr. L. C. Dowdy, acting president of the college announced that the Dudley Property had been given to A&T College. The property located at the corner of Dudley and Lindsay Streets, was the former residence of Dr. James B. Dudley, second president of A&T College.

The three-story frame house is situated on a 1 by 146 foot lot facing North Dudley Street. Constructed in 1931, the house was for a time considered a show place in Greensboro. Because of its fine construction features, the house was often referred to as a "palace."

The elegant stairs, glass windows, and the sweeping stairway are said to have been characteristics of the area.

The home was also the occasion for the formal presentation of the Corps in this staff and queen.

Dr. L. C. Dowdy stated that plans for future usage of the property have not been completed but the committee working on these plans have come up with several possibilities.

The English Department is sponsoring its annual contest which is open to all students enrolled here at the college. Prizes are $500 worth of books, $250 worth of magazines, and $100 worth of gift certificates. English Department Chairmen states that the contest is not only a great way for students to express their creativity, but also a means to showcase their talent to potential employers. The contest is open to all students enrolled in English classes and offers a chance to gain valuable experience in writing. The prizes are awarded to three winners: first place for fiction, second place for poetry, and third place for non-fiction. The deadline for entries is October 31, and the winners will be announced on November 1st. This year's contest includes categories such as short stories, poems, and essays.凡vu
Aggies Defeat Norfolk State 13 - 6

By ERNEST GAINER

A&T Aggies held off a last minute rally here last Saturday by the Norfolk State Spartans and defeated them by a 13-6 margin.

Approximately 3,500 fans watched as the Aggies, using their ground attack, rushed up 13 points in the first period.

The Aggies, midway the first period, took complete control of the game. Willie Ferguson, quarterback for the Aggies took charge of the Aggie eleven and marched them 31 yards for the first touchdown. Mahoney kicked for the extra point putting the Aggies ahead 7-0.

They scored once again in the first period. Mitchell went in as quarterback and started moving towards the next touchdown. Four plays later the Aggie eleven were across the goal line with another touchdown. The kick for the extra point was unsuccessful. The score at this point was the Aggies 13, State 0.

Both teams held strong their positions the remaining minutes of the first half of the game. Attempts for additional points were not successful for either team. The game was over as far as the Virginians were concerned with the Aggies leading 13-0.

Aggies to Away Games

Transportation is Available
To Away Games

Transportation will be available for all out-of-town football games this year, including the game in Florida. This announcement was made by Mr. James Garfield.

This service is being provided by the college because many students would like to go to the out-of-town games.

Transportation will be provided for the Maryland State game which will be played on October 13. The bus will leave at twelve o'clock noon on Friday and return about two o'clock early Sunday morning.

A price list will be posted on various bulletin boards around campus with the prices of transportation to different games. The Florida trip, however, will be sold.

Students can pick up tickets at the College Bookstore.

Sports Facts Of Interest To Aggies

1. A&T Aggies made their highest football score September 29, 1950 against the Shaw University Bears. The score was the Aggies 61, the Bears 7. The closest the Bulldogs came to this score was 1946 when they scored a 15 to 0 victory over the T. C. Rams of Winston-Salem. The same score prevailed in 1960 when the Aggies ran over Hampton Institute.

2. North Carolina A&T Aggies have never been defeated at their home ground by a Virginia team since 1945.

3. The Bulldogs of A&T College have won 12 games, dating as far back as 1945.

5. A&T State

6. Norfolk State 0.

In the last two minutes of the game, Aggie fans were given a scare when the charged-up team from Virginia trailing A&T by 7 points called time out and put together a combination that proved very successful. In the first two plays, Lambert pitched a pass to Turner, good for twelve yards. Edmunds then ran around his left end and was stopped on the 11-yard line of the Aggies.

The Aggie defense held strong from this point on. The team from Norfolk was pushed back for a loss of 8 yards where Lambert fumbled and was recovered by the Virginia team.

The game was over as far as the Virginians were concerned with the Aggies leading 13-4.
