Week of: November 9, 1962

Date and Place	Purpose and Results of the Visit
November 9, 1962 Central High Graham, N. C.	<p>The purpose of this visit was to carry senior students in agricultural education on a field trip to study the facilities and program of vocational agriculture in this multiple teacher department.</p> <p>We arrived at the school around 10:00 A.M., and found the department in operation with its instructional program. The students toured the department and studied the facilities under the direction of Messrs. Mitchell and Lanier, the teachers in the department. The program was studied by the students and explained by the teachers. The students observed in part one class on Parliamentary Procedures.</p>
November 9, 1962 Caswell County High Yanceyville, N.C.	<p>The purpose of this visit was the same as above.</p> <p>The observations made by the students were similar. However, this is a single teacher department and the students were able to compare the operation of a single department with that of a multiple teacher department. The operation of the program was explained by Mr. Wallace, the teacher in the department. The facilities, including the dark room, which is a part of the vocational agricultural department, were observed and studied.</p>
November 9, 1962 Person County High Roxboro, N. C.	<p>The purpose of this visit was the same as above.</p> <p>When we arrived, Mr. Jones, the teacher of agriculture, was conducting a class with his senior boys which was his last class for the day. The students observed this class which was beneficial.</p> <p>After the class period the trainees toured the vocational agricultural department and high school plant. They met the principal who talked with them briefly about the program in general.</p>
