February 1 Marks Seventieth Anniversary Of Sit-Ins

While many students are going about registration procedures after a peaceful semester break, it is interesting to note that this has not been the case for the A&T student body years during this same week in February, students were not returning for a semester break or a quarter break, but were heavily involved in the activities of four social groups.

One thing that really bothers many young men is the sheen on their shoes because quite a few wear expensive shoes. Therefore, the care of your clothes will determine their quality and lasting ability.

Spend Less Money For Expensive Clothes

As we look around the campus, we see quite a few young men who are wearing the next season and the latest fashions. To some people this is ruinous. This is caused by the pressure put on the sports that the young man is sitting. This is a reincarnation thing and can be avoided by sitting on a seat pad covered with cloth.

Abolish All Women's Hours

One of the main things to do in caring for the shoes is to polish them. If they are leather, because leather has a tendency to crack when it dries. However, you should wash the shoes if you are polishing so that there won't be too much old polish caked on the shoe. Shoes can be kept clean simply with a stiff-bristled brush or perhaps a plastic one.

Expo 67 Looms High In Summer Plans

MONTREAL, Canada (Expo 67) — The U. S. Pavilion at Expo 67 is a $9.3 million Geodesic Dome designed to establish rules for the world’s fairs. Expo 67 will have two basic goals in mind when its gates open for a six-month run next April 28. First, it wants to be educational — that’s the purpose of the national pavilions being put up by nearly 150 participating nations — and second, it wants to be entertaining.

Expo 67 has provided for college students. Its Youth Pavilion, for instance, will offer free entertainment, music, and dancing facilities for youths — ages 13 to 21. And there are the youth rates. An admission ticket — they are known as passports, and designed in that style — for seven consecutive days is $12 for adults, $10 for those aged 13 to 21, and $8 for those 12 or younger. The season passport will be $35 for adults, $30 for those 21 to 23, and $25 for children. For a daily admission, a youth would pay $2.50, the same as an adult.
