SUMMARY OF WINNERS IN THE FFA FOUNDATION AND LEADERSHIP AWARDS
FOR A FOUR YEAR PERIOD (1960 - 1963); AND
SWEET POTATO AND CORN WINNERS FOR A
FOUR YEAR PERIOD (1959 - 1962)

This summary is based on the reports as recorded in the minutes of the NFA Convention, the reports forms made out requesting the awards, and reports submitted by teachers of vocational agriculture.

No attempt has been made to give a summary of the schools that have made application for or participated in the leadership activities. It is felt however, that future summaries or reports of this kind should include the total participation.

Please note that the first and second place winners are given for the foundation awards and in the leadership activities; whereas, the first, second and third place winners are given for the sweet potato and corn contests.

No effort was made to rate the different departments, but the data shows that there were chapters in each Federation that have not produced winners. Furthermore, a number of chapters for some reason have not participated in any of the foundation awards or contests.
