Prof. S. B. Simmons:
N. & T. College.
Greensboro, N.C.

Dear Sir: -

I look for you on Saturday.
I had prepared for the occasion
for you and the other gentlemen.

After you did not come I
came down Saturday night and
Sunday I call around three
times but you were not at home.

I wanted to find out about
the meeting.

Miss Soxon told me that she
had a letter for me from N. & T. College
and that she gave it to a student
to give me but I did not get
it. So after the meeting did not
take place I knew that the letter
was explaining the postponement.

I am very sorry that I did not get
it.

I would like to know just what took place concerning the meeting.

This leaves me very well and getting along fine and the work.

I have my evening class going but it is some what inconvenient to get a large number out at the present. However, we go around to see how they are getting on until they can get together.

I am hoping that you are well and the family are also getting ^{on} splendid with your work.

There are fourteen in the evening class and I trying to get some of the day pupils to join the evening class too.

Mrs. Deary says that "you missed a good dinner" and I think so myself.

Much success in your work I wish you.

I am, respectfully yours

A. A. Jordan
