Mr. S. B. Summers
W. T. College
Greensboro, N.C.
Dear Sir,

I was in Elizabeth today
and had talk with Mr. Anderson
and Supt. E. E. Bunday. At that time
Mr. Bunday could not tell me any thing
until the last of this week. Should
you be in this section you may
stop in & see him.

Hoping that the County will come
up with its money as that seems to be
the only thing holding the work out.

yours truly,
James J. Mitchell.

Mr. P. W. Hawfield, County
Superintendent,
Raeford, North Carolina

Dear Sir:

I am recommending John J. Mitchell for consideration as teacher of vocational agriculture for Negroes in your county. I am inclined to believe that he will make you a most excellent man. He is a farm reared man. He did part of his high school work in Bertie County, and the other part here at the college. I think that he is in position to give a course in vocational work which will suit the boys of Raeford as well as the farm boys in the county. My opinion is that he will be a conscientious hard working young man. I am sure the President of this college would be glad to give you a recommendation regarding his qualifications if you desire.

If I can be of further assistance to you, I shall be glad to render the same upon request.

Yours very truly,

S. B. Simons,
Itinerant Teacher-Trainer
