OFFICE OF THE PRESIDENT

MAY 22, 1962

GREETINGS:

I am happy to welcome the New Farmers of America to The Agricultural and Technical College of North Carolina for the Annual NFA Convention. We are always pleased to have you come to our campus, but we are especially pleased this year to have you participate with us in celebrating the 100th Anniversary of the Land-Grant Act, which made it possible to establish the sixty-nine Land-Grant Colleges. These colleges have made outstanding contributions to the progress of this great nation and, in addition, it has assisted in producing many fine leaders for our country. Many of these fine leaders got their start in the NFA.

The purpose, program and activities of your organization provide excellent experiences to assist one in developing the body and mind. I, therefore, suggest that you take full advantage of the many wholesome experiences of the NFA, so that you may become a highly productive citizen in the future.

You have my best wishes for a very successful and challenging Convention.

Sincerely yours,
LEWIS C. DOWDY
